

Rosamond School

Dear Parents and Carers

Rosamond School is looking forward to another great year of teaching and learning and would like to advise you of Rosamond School's voluntary financial contributions for 2023.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for all of our students. Your support makes a huge difference to our school and the programs we can offer.

Within our school, such support has allowed us to organise and coordinate the best possible programs outside of the traditional teaching and learning classroom structure. These financial contributions assist us with:

- Student Welfare programs such as Canine Comprehension and Blueearth
- Use of school buses and MYKI cards for transport
- End of Year Activities
- Provide 1:1 laptops to students in Primary-Exits year levels
- Online learning subscriptions
- Art and kitchen consumables/ingredients
- Provide unlimited stationery to students in classroom
- School Magazine
- School Diary
- PECS, Speech & Occupational Therapy resources

Rosamond School is endorsed as a Deductible Gift Recipient under the *Income Tax Assessment Act 1997 (Cth)* with the result that **any donations made by you will be tax deductible**. To be tax deductible, your donation needs to be made voluntarily. We have suggested an amount to be contributed under "Curriculum Contributions" and "Other Contributions" below, but please feel free to contribute an alternative amount. Amounts paid under "Extra-Curricular Items and Activities" are **not** donations and are not tax deductible.

The suggested parent contribution for our Primary Years is \$200.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

Louise Dingley
